

# SPEEDLINE

Dear Valued Customer,

Please be advised that a 10% price increase will be put into effect for all Speedline products on December 13, 2021. Supply chain challenges and raw material cost increases force us to implement this price increase, which you will see as a change in your discounts. Increases will be effective for all orders shipped December 13th or thereafter.

While we continue to automate routine procedures, invest in manufacturing equipment, and optimize manufacturing processes, we can no longer absorb these increases. We expect that our commitment to continuous improvement will ultimately translate to higher quality and supreme service for our customers.

In the coming weeks you will receive a correspondence with your updated discounts. If you have any questions, please feel free to contact your sales representative or reply to this email. Thank you for your continued support of Speedline Corp.

Sincerely,

Joel Hammer  
Speedline Corp.
